first published in 1965 the marketing of industrial products is the product of diverse talents and experiences the first words of aubrey wilson s introduction to this book emphasise the importance and relevance of industrial marketing to everyone connected with industry he goes on to stress the need to set industrial marketing into a wider perspective and at the same time to provide for the urgent requirements of students for a basic authoritative book each chapter with one exception is an original contribution especially commissioned for the book which has been devised and edited

as an integrated work the editor comments that there can be few if any people who are able to write with equal authority on each function of marketing he has therefore invited eighteen leaders in their own particular function to contribute to this book it immediately establishes itself as a standard work this is a must read for students of marketing and business management

ebook principles and practice of marketing
